Fat Pants Brewing Company and the name Fat Pants originates from all those lazy days on the couch, chilly nights at the cabin, and mornings after one too many beers where you just need to curl up, get comfy, and put on your Fat Pants. Located in Eden Prairie, this brewery holds strong and proud to its humble beginnings, a garage.

J. Carver Distillery is located in the farming heart of Carver County, Minnesota. The same spirit that led Minnesota pioneer and namesake Jonathan Carver is found at the heart of their distillery. “Spirits of Discovery” is their guiding passion. Through the distilling process, they explore and celebrate the bounty of Minnesota grains, fruits, and botanicals as they forge community relationships with farmers and barrel cooperers from right down the road.

Schram Vineyards Winery & Brewery is becoming known as a must-stop destination spot where guests can taste and appreciate a variety of quality and serious wines alongside distinctive craft brews, all made right on-site. Settled in rural Waconia, the Schram family still lives at the vineyard with their children, so if you see them walking around in their rubber boots, say hello!
