

COMING SOON | OASIS-D

CERTIFIED OASIS QUALITY SPECIALIST (COQS)  
PREPARATION COURSE & CERTIFICATION EXAM

April 2<sup>nd</sup> - 4<sup>th</sup>, 2019

### Why consider the COQS as an alternative to other OASIS certification programs?

- The COQS provides these extra benefits at no cost to help you stay up to date with OASIS changes and best practices throughout the 3-year certification period:
  - Automatic and complimentary registration to Fazzi's annual OASIS competency test.
  - Complimentary webinars on challenging topics and guidance changes.
  - Complimentary "Ask the Expert" sessions to answer any and all questions about OASIS.
- Led by OASIS expert, instructor, enthusiast, devotee, coach and mentor, Anita Werner, the quality of the course instruction and materials is outstanding.
- Developed, reviewed, psychometrically analyzed and beta tested by industry leading OASIS experts, the COQS is an accurate and important measure of OASIS proficiency.
- The COQS course and exam include The OASIS Walk® that teaches how to use OASIS as an effective care planning tool in the home.
- Those with other OASIS certifications in good standing are welcome to sit for the COQS recertification exam for a reduced price (80 questions v. 100 questions).

*Presenter: Anita Werner, RN, BCHH-C, COQS,  
Senior Compliance Consultant*

We are pleased to bring you this important OASIS-D Education and Certification opportunity:

The two-day Certified OASIS Quality Specialist (COQS) preparation course will be offered April 2-3, 2019 with the Certification examination to be offered the following morning on April 4. We have partnered with Fazzi Associates, long-time leaders in OASIS expertise, to bring you the COQS!
