

CALL FOR ABSTRACTS

Health professionals interested in presenting during the NMA Annual Convention and Scientific Assembly to be held August 1 - 5, 2020 in Atlanta, Georgia are invited to submit abstracts. The deadline for all abstract submissions is **Wednesday, April 15, 2020**. Abstracts may be submitted for consideration for either an oral (podium) presentation, or a poster presentation, or for both.

Abstract Submission Guidelines

- Abstracts for oral and poster presentations must be submitted via the online form below. No other electronic formats will be accepted.
- The submitting author is designated as the presenting author
- All communications regarding the abstract submission will only be directed to the submitting author.
- Abstract authors (primary and co-authors) must disclose their financial relationships with commercial entities.
- An abstract must have a short, specific title (containing no abbreviations) that indicates the nature of the investigation.
- Abstracts are limited to 500 words. This does not include the title. Abstracts exceeding this limit will be rejected.
- Nonstandard abbreviations (kept to a minimum) must be placed in parentheses after the first use of the word or phrase abbreviated.
- The abstract should identify the learning objectives and the gap in healthcare provider competency, performance, and/or patient outcomes examined. Learning objectives should be measurable and clearly state what learners should be able to know, do, or change as a result of the presentation. Keep each objective specific to one outcome – no compound objectives.
- Please proofread abstracts carefully to avoid errors before submission.
- Use generic drug names. Presentations must also give a balanced view of therapeutic options.
- The abstract cannot contain illustrations, images, or graphs. If the abstract is accepted, presenters can include these items in their onsite presentations.
- An abstract may contain one small table.
- To ensure that the abstract receives proper scientific consideration, please be sure to indicate the appropriate specialty section/category. Abstracts not indicating a specialty section/category may be rejected.
- The deadline for all abstract submissions is **Wednesday, April 15, 2020**. Abstracts are reviewed by the program committees on a rolling basis, and early submission encouraged.

Submission Categories / Specialty Sections

Abstracts should be submitted in the most appropriate category/specialty section. A list of categories/specialty sections is available below. Please note that the NMA reserves the right to reassign an abstract's specialty section/category as deemed appropriate by the selection committee.

Poster Requirements

Upon acceptance, presenters will be provided specifics on installation, presentation, and dismantle times and locations. Accepted posters should comply with the following requirements:

- The poster should be 3'10" in height and 5'10" in width.
- Text and illustrations are to be legible from the distance of at least 3 feet. All information on the poster is to be typed (large font).
- A copy of the abstract must be affixed in the upper left-handed corner of the poster board. The top of the poster should also display the title of the abstract and author name(s).
- Posters may only be affixed to the designated poster boards. Posters may not be taped, pasted, thumbtacked, nailed, or otherwise affixed to walls, columns, or booth draping.

- Presenters are responsible for setup of their posters at the scheduled time prior to the poster session, and for removing it at the end of the assigned poster session.
- The presenting author should be available at the poster display during a designated special poster viewing session to discuss their presentation with conference attendees. Please note that there will be no audio-visual equipment for poster presentations.
- All costs associated with the creation and/or shipping of the poster will be the responsibility of each presenter.

Frequently Asked Questions

Am I required to be a member of the National Medical Association to submit an abstract?

No, NMA membership is not a requirement to submit an abstract. However, physicians and other health professionals are welcome to join the NMA. For additional information regarding membership please [click here](#).

Are abstracts directly sponsored by commercial entities (those producing, marketing, re-selling or distributing health care goods or services consumed by, or used on, patients) eligible for consideration?

Yes, however, such presentations will be subject to a rigorous review to ensure the validity of the research results and conclusions. In addition, abstracts directly sponsored by commercial entities may be restricted to a non-accredited poster presentation within the exhibit hall.

May I submit an abstract for an encore presentation?

Yes. However, only original presentations/abstracts are eligible for possible publication. Please be certain to indicate if your submission is an encore presentation in your abstract.

May I submit more than one abstract?

There is no limit to the number of abstracts that an individual may submit. However, presentation slots are limited and only one abstract per submitter may be selected for presentation.

Do all authors need to complete disclosures?

Yes, per Accreditation Council for Continuing Medical Education (ACCME) requirements, the NMA must collect information on the financial relationships of all presenters and abstract authors. Accordingly, you will be asked to disclose your financial relationships and the financial relationships of all of your co-authors. For additional information on the disclosure process please [click here](#).

How will I be notified regarding a decision on my abstract?

All abstract decisions will be communicated via email to the submitting author by Friday, June 7, 2020.

If my abstract is accepted for presentation will the NMA provide travel or housing support?

No, presenting authors of accepted abstracts for oral and poster presentations must register for the Annual Meeting and make their own housing and travel reservations.

If my abstract is selected for an oral presentation will audio/visual services provided?

Yes, the presentation room will have a podium with microphone, computer (with PowerPoint capability), projector, and screen onsite.

I have a question regarding the abstract process who should I contact?

All inquiries regarding abstract submissions should be directed to NMA CME Department 202.347.1895 or cme@nmanet.org.
