# production

## Advertising Materials

All ads should be submitted as a press-quality PDF (CMYK with fonts embedded).

Preferred format: PDF/1Xa

*Other accepted formats:*

QuarkXpress (include all fonts and graphics)

InDesign (include all fonts and graphics)

Photoshop

Illustrator

TIF (text is slightly degraded)

EPS

JPG (with correct resolution - 266 dpi)

*Formats NOT accepted:*

Microsoft Word • Microsoft PowerPoint

Microsoft Publisher

## Image Resolution Notice

Preferred image resolution: 266 - 300 dpi

Note that we frequently receive ads that contain artwork pulled from websites. These lower resolution images (72 dpi) will result in degraded quality.

## Match Proofs

While the vast majority of PDF ads reproduce just fine, we CANNOT GUARANTEE a color match unless a proof is provided. Ads submitted without a proof are not entitled to a credit for color issues.

**Printing:** Web Fed

**Binding:** Perfect Bound

# circulation

## Editorial Statement:

*O&MM Fabricator* is specifically targeted to the owners and managers of ornamental and miscellaneous metal fabrication shops. Articles cover fabrication techniques, member spotlights, job profiles, business issues, trends, and industry news. The magazine's goal is to help fabricators improve their business by publishing articles that educate, inform, and inspire.

## Circulation and Distribution:

**Circulation:** 8,000

Ninety-nine percent of circulation is domestic. Approximately 90 percent of the magazines are distributed to metal fabrication firms and about 10 percent go to industry suppliers. Sworn circulation statements are provided to Standard Rate & Data Service (SRDS).

## Delivery Breakdown:

About 7,500 issues are mailed bulk. The remaining 500 magazines are distributed via supplier showrooms, chapter meetings, and special events (AFA, METALfab, blacksmithing events, blacksmithing schools, etc).

## Frequency:

*O&MM Fabricator* comes out the 15th of every other month. The magazine is mailed bulk rate from Hanover, NH.

## Comp Magazines:

All advertisers and their agencies automatically receive a complimentary subscription.

# terms & details

## Short Rates & Rebates

Advertisers failing to use (within a 12-month period) the amount of space on which rate was billed will be short rated to the appropriate rate for space actually used. Use of additional space (beyond that on which rate was billed) within a 12-month period will earn a rebate to the appropriate lower rate.

## Rate Protection

Rates are guaranteed for the duration of the contract.

## Position Premiums (Cover Rates)

Advertisers may contract for inside front, inside back and outside back cover when available.

Inside Front: Add \$250      Page Three: Add \$200  
Inside Back: Add \$200      Center Page: Add \$200  
Outside Back: Add \$300

Any other space will be guaranteed for a 5 percent premium. *Grandfather Clause:* Advertisers who hold a premium or guaranteed position have "first rights" to keep the position when their contract expires.

## Agency Commissions

Commission of 15 percent to recognized agencies on space only provided account is paid within 30 days of invoice date. No commission allowed on current billings until all past due amounts are paid. Agencies not recognized on accounts 90 days or more past due. No commission allowed on production charges.

## Notes to Agencies

Agencies that claim the 15 percent agency discount but provide ads that are NOT completely camera-ready will be charged at hourly production rate. If an agency specifies that client is to be billed directly, then the client must sign the contract or else provide a signed letter agreeing to such an arrangement.

## Payments

Payment due within 30 days of invoice date. A 2 percent discount is allowed if payment is received within 15 days of invoice date. Past due accounts of 60 days or more shall accrue interest at the rate of 1.5 percent per month or 18 percent per annum. Advertising will be discontinued on accounts 60 days or more past due. Advance payment is required on accounts with an unsatisfactory credit history. Advertiser shall be liable for collection / legal fees incurred by the publisher in collection of past due accounts.

## Publisher's Protection Clause

Advertisers/agencies assume liability for content of advertisements as well as any claim arising there from made against publisher. Publisher will reject advertising that is not in keeping with *Fabricator's* standards. Advertisements are accepted on the basis that the product/service is properly described, is available as advertised and will be sold at the price and conditions as stated. The word "advertisement" is to be included on all editorial advertisements.

## Advisory Council

Editorial is kept on track with the help of an Advisory Council made up of respected industry leaders.

## Inserts

Standard 2-page insert will be billed at B/W Full-Page, 1X ad rate + cost of insertion (\$400). An advance sample of the insert is requested to make sure it is standard. Price does not include printing of insert.

## Outserts

NOMMA's outserts (loose pieces included with *Fabricator* magazine) program is available to existing advertisers only. Prices below do not include printing:

2-Sided Outsert = B/W Full-Page 1X Rate + \$400  
4-Sided Outsert = B/W Full-Page 1X Rate + \$600  
6-Sided Outsert = B/W Full-Page 1X Rate + \$800  
8-Sided Outsert = B/W Full-Page 1X Rate + \$1,000

## Classified Ads

Classified Ads are no longer available in *O&MM Fabricator*.

However, you are welcome to place a free ad on our online forums. To place your ad, visit the NOMMA website ([www.nomma.org](http://www.nomma.org)) and click on "Career Center."

## Publisher

*Ornamental and Miscellaneous Metal Fabricator* is the official flagship publication of the National Ornamental and Miscellaneous Metals Association (NOMMA) organized in 1958.

## Key Personnel
