# BENEFITS TO INSPIRE YOU, BOOST YOUR BUSINESS AND SUSTAIN OUR INDUSTRY.

Be a part of NOMMA for education, professional contacts, subscriptions to leading industry publications and a robust library of online resources to help you fully develop your business.

## EDUCATION

Education is a proud tradition that began with NOMMA in 1958. Membership gives you access to valuable, industry-specific information through chapter meetings, our annual METALfab conference, continuing education programs, roundtable conference calls, the NOMMA ListServ, website support areas, newsletters, Fabricator magazine and more.

## NETWORKING

An open, sharing culture forges strong bonds between NOMMA members. Membership connects you with a worldwide network that offers quick answers and meaningful conversations. Get help from fellow members when you need it, in person at METALfab convention and chapter meetings, by phone during Roundtable conference calls, or online anytime through NOMMA ListServ.

## INITIATIVES

### NOMMA Technical Affairs Activities

NOMMA volunteers help create building codes, standards, manuals, certifications and industry education. By supporting technical activities, NOMMA looks out for industry interests and provides input into the code development process.

### METALfab Convention

This is a vital annual event, uniting members for several days of knowledge - and network-building opportunities. METALfab has seminars, exhibits, social events, demos, shop tours, an awards competition and more.

### NOMMA Education Foundation (NEF)

NEF is our charitable education foundation. NEF plans the METALfab education program and also provides chapter education grants, individual scholarships, training videos and continuing education classes.

## 3 WAYS TO JOIN NOMMA

Our memberships are designed for the reality of business and budgets, with membership dues matched to size, scope and business area. A single NOMMA membership provides full access to benefits, for everyone in your organization.

## FABRICATOR MEMBERSHIP

For metal fabricating shops, blacksmiths, artists, or other firms and individuals in the industry whose products or services are sold directly to end users.

Shop Size	Annual Gross Sales	Dues
Small	Under \$250,000	\$350
Small/Medium	\$250,001-\$1,499,999 Million	\$475
Medium	\$1,510,000-\$2,499,999 Million	\$525
Large	\$2.5 Million or More	\$600

## SUPPLIER MEMBERSHIP

For firms that produce or distribute materials, machinery and accessories for the industry or provide services that may be used by the industry.

Service Area	Operational Scope	Dues
Nationwide	500+ Mile Radius or International	\$725
Regional	Within a 500-Mile Radius	\$575
Local	Within a 150-Mile Radius	\$450

## AFFILIATE MEMBERSHIP

For architects, schools/teachers and other nonprofit organizations related to the ornamental and miscellaneous metals industry.

Dues are the same for all in this category: \$310
