ABOUT NOMMA

The National Ornamental & Miscellaneous Metals Association is the association for fabricators by fabricators. We are dedicated to providing our members with valuable skill training, the latest code information and access to the best minds in the industry. Helping you be more successful and accelerating the growth of your business is NOMMA’s top priority.

GROW YOUR BUSINESS FASTER
JOIN NOMMA TODAY!

Multiply Your Network
- As a NOMMA member, you're instantly welcome. It's easy to start conversations with peers nearby or nationwide.
- Get the answers you need to everyday challenges with the NOMMA Network online community.
- Learn from your peers through monthly virtual roundtable discussions.
- Attend the only annual conference dedicated to your needs - METALfab.

Lower Your Costs
- Use vendors in the Member Savings Program – the average savings is $600 per year.
- Enjoy education at discounted rates for METALfab and NEF PRO training events.
- With membership, receive a subscription to OM&M Fabricator Magazine.

Expand Your Knowledge
- METALfab is NOMMA's annual conference with education customized to your needs.
- Online presentations, videos and resources to support both shop and business management.
- NOMMA Education Foundation (NEF) training and demonstration events.
- NOMMA's Metal Finishes Manual and Joint Finishing Guidelines are the industry standard and resources to designers, contractors and architects.
- Latest industry news and trends delivered through Fabricator magazine, eNewsletter and all social media platforms.

Boost Your Business
- Get your company listed in our Annual Buyer's Guide and Member Directory.
- Connect with quality suppliers across the nation.
- Proudly display the NOMMA logo to show customers that you are a NOMMA member and that says quality craftsmanship and professionalism.
- Build your team by placing ads in our Career Center at a member discount.

Protect Your Business
- NOMMA keeps you up to date on related regulatory code information.
- The NOMMA Technical Affairs Committee actively works to advocate for you at code hearings.
- Consult with peers on code questions in real-time via the NOMMA Network.
- The NOMMA Business Insurance Program helps ensure you have the right coverage at the best price.

Boost your earning potential, expand your network and lower your operating costs.
