SEE WHAT OUR MEMBERS HAVE TO SAY

"Customer service is extremely important to us both as a customer and a vendor. We look for vendors and programs that provide the optimum in service and knowledge. The Member Savings Program has been great!"

— Gina P.
D.J.A IMPORTS, LTD.

"For the past 50 years, I have been enthusiastically involved with NOMMA and METALfab. NOMMA has recognized the changing times and taken significant steps into the future. I am confident they will continue to be successful building a strong industry."

ABOUT NOMMA

The National Ornamental & Miscellaneous Metals Association is the metal fabricating epicenter. NOMMA members spend tremendous time and funds each year to build and run their metalworking businesses. Have a product or service we should know about? Connect with the NOMMA community through membership as an Industry Partner!

NOMMA members understand that our Industry Partners know the unique needs of metal fabricating professionals. By collaborating with them, both save time, money, and ultimately benefit their staff and customers.

GROW YOUR BUSINESS FASTER AS A NOMMA MEMBER.

Boost sales & marketing performance, expand your network and demonstrate commitment to the metalworking industry.

Reach Decision Makers
NOMMA’s Fabricator magazine, annual Buyer’s Guide and monthly eNewsletter "Newswire" increase cost-effectiveness to target buyers you want to reach. These publications welcome press releases and product announcements. Exhibiting at METALfab provides valuable visibility for your products and services. Discounted ad and exhibit rates are available for Industry Partner members.

Boost Awareness
During events throughout the year, NOMMA provides Industry Partner speaking opportunities and members like you are preferred and invited first. Engage with members on the NOMMA Network (ListServ) by answering questions and providing advice and be in the know with current code and standard information regularly disseminated to the membership.

Support Your Customers
As an Industry Partner, you communicate a commitment to the metalworking industry. Membership demonstrates that you share the values of current and prospective clients, believe in universal benefits of a thriving industry and will invest in long-term growth. Hear firsthand how to best support your customers through the many opportunities to interact with NOMMA members.

Influence the Industry
Passionate NOMMA members can shape our organization and the metalworking industry by serving as a board member, committee member or active volunteer. Hosting Chapter Meetings at your location supports the growth of our membership and is an opportunity to demonstrate the products/services you offer. Getting involved and building relationships translates to sales for your company.

Express Your Professionalism
Membership in NOMMA comes with a pledge to maintain a high level of professionalism and to adhere to ethical business practices. Use the NOMMA Industry Partner icon to send this message. Seeing your company affiliation with NOMMA gives customers added confidence in your business and assures them that working with you will be a positive experience.

NOMMA members are loyal to Industry Partners and will recommend your business to their colleagues.
