

NOMMA EDUCATION FOUNDATION

PROVIDING EDUCATIONAL OPPORTUNITIES FOR THE ORNAMENTAL
AND MISCELLANEOUS METALS INDUSTRY

NOMMA Education Foundation Donation Form

Make a tax-deductible donation to the NOMMA Education Foundation (NEF) and support the operation and outstanding programs of the foundation. NEF offers you the opportunity to help the foundation achieve its mission of providing education opportunities to the ornamental and miscellaneous metals industry.

The NOMMA Education Foundation was founded in 2001 to advance the educational mission of the National Ornamental & Miscellaneous Metals Association (NOMMA). NEF provides a wide range of educational services ranging from instructional videos, continuing education programs, education sessions at the METALfab convention, educational publications, education support for NOMMA chapters, support for special projects, etc. Donations to the Foundation are welcomed, and funds help support the current programs and continue to create new programs to support the ornamental and miscellaneous metals industry.
