# **ABOUT ENFINITE**

## **AND THE ANNUAL CONFERENCE & TRADE SHOW**

ENFINITE is a trade association representing over 330 leading companies in the liquid recycling, environmental and industrial services industries.

ENFINITE members take the industrial liquid waste that burdens partner companies and transform it into usable products. Through innovative purification processes members recycle, reuse, and dispose of these fluids—creating a circular economy that’s environmentally friendly.

ENFINITE has constantly evolved since its founding in 1984. It all started with oil, but since then ENFINITE members have gone on to include a myriad of industrial liquids in their services. From solvent and chemicals to wastewater and beyond, ENFINITE members have the experience to minimize practically any industrial liquid harm and maximize its potential.

ENFINITE hosts three events each year including the industrial liquid recycling industry’s premier networking and education event: the ENFINITE Annual Conference & Trade Show. ENFINITE’s growing community has made the Annual Conference & Trade Show the leading industry event of the year.

The Annual Conference & Trade Show has taken place all over the country and each year ENFINITE members have come to attend, network, and exhibit.

# CONFERENCE & TRADE SHOW MEMBER TESTIMONIALS

## Exhibitors

"I don't feel as if I was exhibiting, but more showing what we do and meeting the members of an outstanding organization that actually uses its influence to move our industry forward despite what was selling. I got the impression that the members will try to help fellow members and their companies' businesses grow because it benefits the organization and them too."

- **Cory Formyduval, ABT Metals**

"If you want to be in the [industrial] liquid recycling business, you have to be a member of and be active in ENFINITE."

- **Bryan Gray, ChemTec**

"It's big enough to meet a lot of people and expand your network, and small enough that you can spend meaningful time with people. You will expand your network, learn and want to come back."

- **John Wasilchuk, Gallagher**

"The level of people who attend are typically senior within their respective organizations, and therefore have the ability to converse knowingly and knowledgeably about their business and day-to-day requirements. Everything about the venue proved upbeat and friendly, a real spirit of cooperation by all. The support of the staff, the warm reception by the board of directors, and the overall positive attitude of staff and participants alike were very refreshing."

- **Jay Byram, Standfast TRAM**

"Face to face meetings are the best way to connect and do business. It is a more personal way for continuing conversations thereby making the partnership more solid."

- **Sam & Stacy Youssef, American Testing Technologies, Inc.**

## Attendees

"I attend because of the networking perspective of various industries, re-refining, fuels, wastewater, etc. Learn from others' experience Industry knowledge and developments."

- **Steve Mailhot, Valicor**

"Great chance to learn more about the issues facing all within this industry group and ways to address the issues."

- **Steve Goebner, Berkley Environmental**

"Great event which gives you access to information and people specific to our industry."

- **Brian Bidelspach, Liquid Environmental Solutions**

You will become part of a knowledgeable, accessible group of businessmen who are ready to share their expertise.

- **Guillermo Silva, Olein Recovery Corporation**

"It's a great way to get a regional and global view of the economics driving the oil market. Connecting with potential suppliers is a good benefit, too as well as understanding the legislative threats/opportunity for the business."

- **David Teller, Dyno Nobel**

"Great opportunity to network with high level of business owners and upper management attending, as well as follow-up after the events."

- **Bernie Sabbert, Cadence Environmental Energy, Inc.**

# 2026 ENFINITE EXHIBITOR TERMS AND CONDITIONS

**Signature required below.**

By applying for exhibit space, your company agrees to comply with all rules and regulations outlined below and further agrees to abide by the decision of ENFINITE (hereafter known as "exhibit management") with respect to interpretation of these rules. Please be sure that the company representatives attending the meeting are aware of and adhere to these rules.

- 1. Exhibit Representatives.** Each 8x10 exhibit package receives one complimentary registration. Up to three additional staff members from the same company may register at the reduced rate of \$475 per person. Multiple companies may not share a single booth. Companies with a shared business relationship may co-locate but will be charged a co-location fee of \$500 plus registration fee.
- 2. Assignment of Space.** A 50% deposit is required to secure a booth assignment. Every effort will be made to respect the exhibitors' space choices for preferred space whenever possible, but exhibit management's decision shall be final. Exhibit management reserves the right to transfer assignments when such action is deemed to be in the best interest of the total exhibit effort.
- 3. Payment.** Full payment of exhibit fees is required by September 4, 2026. A 50% non-refundable deposit will secure a booth until September 4, 2026. Submitted forms will be charged the full amount of the booth unless deposit amount is written on form. Payment for exhibit space does NOT include the cost of any booth equipment, furnishings, special utilities or services ordered by the exhibitor; unless specified in the Exhibitor Agreement. All such optional costs shall be the exhibitor's responsibility. Please make checks payable to: ENFINITE, 7250 Heritage Village Plaza, Suite 201, Gainesville VA 20155, USA. International funds must be submitted to a U.S. bank in U.S. equivalents. Booths not paid in full by September 4, 2026 may be forfeited or reassigned. Custom banners will not be printed until the booth is paid in full.
- 4. Refund for Cancellation.** Should the exhibitor be unable to occupy and use the exhibit space contracted for, he or she shall promptly notify exhibit management in writing. Any exhibitor canceling prior to September 4, 2026 will receive a refund equal to 50% of the full price of the booth (no refund will be offered if only the 50% deposit had been paid). No refunds will be allowed on cancellations after September 4, 2026, and space shall be forfeited.
- 5. Contractor Service information.** In the best interest of the exhibitors, exhibit management has selected the exhibit company to serve as official contractors to provide various services to the exhibitors. It is agreed that the exhibitor will abide by and comply with the rules and regulations concerning local unions having agreement with the exhibition facility or with authorized contractors employed by exhibit management. Complete information, instructions and schedule of prices regarding drayage, labor for erecting and dismantling, electrical work, furniture, cleaning, etc., will be included in the Exhibitor's Service Kit, to be forwarded by the designated service company after space has been confirmed. An Exhibitors' Service Center will be maintained on the exhibit floor until the opening of the exhibit hall to facilitate service requests from exhibitors. The Exhibitor's Service Kit will provide you with shipping instructions.
- 6. Shipping.** Exhibit materials should be shipped to exhibit company, not to the hotel. If packages are sent to the hotel, ENFINITE cannot assist in package retrieval nor will it assume costs of receiving items.
- 7. Security.** Security is not provided by show management. Each exhibitor should make provisions to safeguard his/her goods from the time they are placed in the booth until the time they are removed. Exhibitor management will not be responsible for loss or damage due to any cause. All Exhibitors must wear the official exhibitor's name badge for admission to and while in the exhibit hall.
- 8. Booth Construction and Arrangement.** Exhibits shall be so arranged as to not obstruct the general view, nor hide the exhibits of others. Plans for specially built displays not in accordance with regulations are to be submitted to exhibit management before construction is ordered. Regular and specially-built back wall, including signs, may not exceed a height of 8'.  
  
The maximum booth height of 8' may extend out 1/2 the depth of the booth from the back wall. Height limitation of the display in the balance of the area is 36", except for product and equipment on display which in itself may exceed this height. It is expressly agreed by the exhibitor that in the event he or she fails to install his or her products in his or her exhibit space, or fails to pay the space rental at the time specified, exhibit management shall have the right to take possession of said space and lease some or any part thereof to such parties and upon such terms and conditions as it may deem appropriate.
- 9. No dismantling will be permitted before closing time.** No exhibitor shall have the right prior to closing of the exhibition to pack or remove articles in exhibit without permission from and approved in writing by exhibit management.
- 10. Responsibility.** If the exhibitor fails to comply in any respect with the terms of this agreement, exhibit management shall have the right, without notice to the exhibitor, to offer said space to another exhibitor, or to use said space in any other manner. This shall not be construed as affecting the responsibility of the exhibitor to pay the full amount specified by the contract.
- 11. Compliance.** The exhibitor assumes all responsibility for compliance with all pertinent ordinances, regulations and codes of duly authorized local, state and federal governing bodies concerning fire, safety, health; together with the rules and regulations of the operators and/or owners of the property wherein the exhibit is held. Cloth decorations must be flameproof. Wiring must comply with fire department and underwriters' rules.
- 12. Liability.** ENFINITE, the exhibitor company and Grand Hyatt Indian Wells Resort & Villas, its agents or employees shall not be responsible for any loss, theft, or damage to the property of the exhibitor, his or her employees or representatives. Further, ENFINITE will not be liable for damage or injury to persons or property during the term of this agreement from any cause whatsoever by reason of the use or occupancy of the exhibit space by the exhibitor or his assigns, and the exhibitor shall indemnify and hold harmless exhibit management from all liability, which might ensue from any cause whatsoever. If the exhibitor's materials fail to arrive, the exhibitor is nevertheless responsible for all amounts due hereunder. Exhibitors must carry insurance to cover exhibit material against damage and loss, and public liability insurance against injury to the person or property of others.
- 13. Cancellation or Termination of Exhibition.** In the event that the premises where the exhibition is to be held shall, in the sole determination of exhibit management, become unfit or unavailable for occupancy, or shall be substantially interfered with, by reason of picketing, strike, embargo, injunction, act of war, terrorism, act of God, fire or state of emergency declared by any government agency or by reason of any municipal, state or federal law or regulation or by reason of any other occurrence beyond the control of exhibit management, exhibit management may relocate, cancel or terminate the exhibition. In the event of such relocation, cancellation or termination, the exhibitor waives any and all claims the exhibitor might have against exhibit management for damages or expenses and agrees to accept in complete settlement and discharge of all claims against exhibit management the exhibitor's prorated share of the total amount paid by all exhibitors less all costs and expenses incurred by exhibit management in connection with the exhibition including a reserve for future claims and expenses in connection therewith. In case exhibit management shall for any reason determine to cancel or terminate the exhibition, the exhibitor waives all claims the exhibitor might have against exhibit management for damages or expenses and agrees to accept in complete satisfaction and discharge of all claims against exhibit management a refund of all amounts paid by the exhibitor to exhibit management in accordance with this agreement.

***I agree to the 2026 ENFINITE Exhibitor Terms & Conditions. (Must be signed prior to booth assignment)***
