

NATIONAL PLASTERERS COUNCIL

THE FOREMOST AUTHORITY
IN THE CEMENTITIOUS
INTERIOR POOL FINISHING INDUSTRY

NPCONLINE.ORG

Add Your Voice to the Cementitious Interior Pool Finishing Industry

For nearly three decades, the National Plasterers Council (NPC) has promoted quality products, professional installation and the expert care and treatment of cementitious interior finish pools. As a member, you may proudly use the NPC name and logo, and your membership as a clear mark of professionalism. Set your company apart from the competition and stand with our Code of Ethics which protects your business, customers and industry.

MEMBERSHIP COMES WITH BENEFITS – WHY NOT BENEFIT?

- **Ongoing Research** on “Hot Button” issues that impact your business
- **Membership Directory and Resource Guide** includes technical resources, educational opportunities, publications catalog and more – both in print and online
- **NPC’s Technical Manual** outlining sound technical practices
- **Our Annual National Conference** for education and networking opportunities
- **Start-Up Technician Certification & Recertification Program**
- **Expanded Pool Inspector Referral Program & Ask the NPC Technical Support**
- **NPC Technical Bulletins, News and Alerts**
- **Rey Perales Memorial Scholarship Program**
- **Use of the NPC Name and Logo** – being able to place trade affiliation on business cards and advertising helps promote your profession, signaling to customers your active participation in the development of the industry and your interest in industry best practices
- **Networking** – Meet great like-minded people and exchange ideas. A powerful benefit of building connections with your peers from across the U.S. and beyond is the opportunity to share best operational practices and experience new technologies or approaches to marketing.
- **Learn What Opportunities or Challenges Are in the Industry**

CEMENT NEW RELATIONSHIPS AT OUR ANNUAL NPC CONFERENCE AND AUCTION

Find out for yourself why over 70% of members attend the NPC conference every year. Members from all over come together each year to hear the latest technical information in our education tracks, participate in our popular auction, learn about new innovations and products, and *network, network, network!*

NPC’S CODE OF ETHICS

- **Promote** the concept of free enterprise and service to the public and industry
- **Strive** to gain respect for the industry on a local, regional, national, and international level
- **Contribute** to the health, safety, and welfare of the public in the installation of pool plaster and related activities by complying with applicable laws, ordinances, and regulations
- **Support** efforts to improve pool plaster & related activities in swimming pools, spas & water features
- **Encourage** research, development and improvement of new materials, techniques & methods
- **Avoid** misleading statements when in the effort to sell products

TYPES OF MEMBERSHIP

APPLICATOR

Whether you are a pool plasterer by trade, or a pool builder who occasionally plasters pools – this is the membership for you! As an Applicator Member, you will be added to our online database where prospective buyers can become your next customer.

MANUFACTURER / DISTRIBUTOR

As a materials supplier, manufacturer, or distributor, this membership will provide you with vast networking opportunities. The NPC Annual Conference and education services provide you with ample opportunity to connect with pool professionals all across the industry.

SERVICE / BUILDER

This membership category is for companies without in-house plastering who have an interest in our industry and do not qualify in other categories. As a Service/Builder Member, you will be added within the NPC Online Member Directory used by 1000’s of visitors.
