Delaware Association of Surveyors
Danny Simmons

The Delaware Association has concentrated mostly on Trig-Star and education this year. We had our first annual Chuck Surguy Memorial Golf Tournament which was a great boost to our education fund. After our last meeting I discovered that the Delaware Technical and Community College has an Augmented Reality Sandbox at two of their campuses, so we are looking at ways to bring this to the kids.

Our main concern is still a Statute of Repose; however, we do not currently have the resources to pursue this political battle.
