Alaska Report

Just off the press, Alaska has been trying to get an MOU with BLM for 2 mile monumentation, the same we have had for 40 years. However, when BLM tried to push DPPS on Alaska, BLM dropped the MOU. For the last 1-1/2 years we have been trying for a new MOU to back to the 2-mile monumentation, however BLM is now push 6-mile monumentation (just at the township corners).

Alaska may want to see if NSPS would willing to review the 6-mile (township corner) monumentation policy. Similar to how NSPS helped out fighting the DPPS.

Thank you.
