Krylon® Industrial QUIK-MARK™ 17 oz
Available in both water-based and solvent-based formulations, the entire line of Quik-Mark Inverted Marking Paints is available in a variety of APWA and Fluorescent colors and sizes to meet all of your application needs.

Krylon® Industrial QUIK-MARK TALLBOY™ 22 oz
w/ HIGH PRODUCTION TIP
Designed specifically to increase the productivity and efficiency of all locators. The Tallboy provides 22 oz. of paint (29% more over 17 oz can) creating Less Trips to the Truck™, less cans to dispose of and less product to carry. With these benefits, surveyors & locators will be able to complete their jobs faster.

MARKING WANDS & CAN HOLSTERS
Our offering also extends to the best hand-held wands on the market. Constructed of durable, rugged plastic and lightweight steel, these wands are designed to improve efficiency by making application less tiring. The ergonomically enhanced, easy-touch pistol grip insures less finger fatigue, making the wand easy to handle while delivering a uniform stripe every time.
