2018 NSPS YSN Student Resume Competition

Our winner this year is Katie Singleton from the Oregon Institute of Technology. She is a senior and is expected to graduate this year. She won an all-expenses-paid trip to the 2018 NSPS Spring Meeting.

2018 FIG North American Young Surveyors Meeting

We're organizing the 2018 FIG North American Young Surveyors Meeting with FIG and the Maryland Society of Surveyors. The meeting will be held near Washington DC October 16th through the 18th. If it is anything like the 2016 meeting, we should be in for a treat. Add it to your calendars!

Website Update

Our secretary, Denver Winchester, is working with NSPS to update our website. We're going to make information easier to find, as well as creating a space for YSNers to interact with one another.

2018 Goals

1. Increase communication with our membership. The newsletter got started, but it has stalled. We're hoping to get it going again this spring.
2. Meet in-person more often. We've planned a spring in-person meeting and we're looking forward to seeing everyone twice in 2018!

"What does surveying mean to you?" – Video

The YSN wants to start creating up to date content. One idea that has floated to the top is a group-sourced video combining short clips from our members describing what surveying means to them. Like this <https://www.youtube.com/watch?v=Q2KgPBk5UZM>. We'll be sending out more details soon about how to record yourself and submitting your videos.

Thanks!
