

Practical Ways AI Can Simplify a Shoe Retailer's Day

In this spin-off session of our last seminar on AI, a new panel of shoe retailers will join Pete Mohr for three 15-minute talks to introduce practical ways of using AI to simplify and organize your time and projects more efficiently.

SEGMENT 1: Plug It In

Connect Your Inbox, Calendar and Files to AI

Turn AI into an assistant that knows your business.

SEGMENT 2: Sales Data to Smarter Buys

OTB, Size Curves and Market Prep

Turn a sales export into a buy plan.

SEGMENT 3: Markdown Before It's Dead

AI for Aged Inventory

Free up OTB dollars faster.
