

Shipping Supplies Offer Members Additional Savings

Your business has expenses coming at it from every direction - including packaging and shipping supplies costs. PartnerShip[®], the same company that manages NSRA's shipping program, recently launched a new shipping supplies service with the goal of providing smaller businesses with low volume shipping supplies at prices normally reserved for high volume shippers!

While other shipping supplies companies offer lower quantities, they often do not meet the attractive price breaks that come from large quantity orders. PartnerShip offers the flexibility to order small or large quantities with consistently low prices across the board. The table below shows how PartnerShip prices beat one of the top shipping supply companies in the nation in a head-to-head, price-per-quantity basis*:

Item	Quantity	Us		Them		Savings
		Price per	Total	Price per	Total	
13 x 11 x 4" boxes	25	\$0.54	\$13.50	\$0.83	\$20.75	\$7.25
16 x 13 x 4" boxes	25	\$0.74	\$18.52	\$1.09	\$27.25	\$8.73
3" x 110 yds Tape Rolls	24	\$2.63	\$63.00	\$5.60	\$134.40	\$71.40
9" x 12" Muscle Pak Mailers	100	\$0.18	\$18.00	\$0.30	\$30.00	\$12.00
16" X 13.75" X 9.375" boxes	25	\$1.21	\$30.24	\$1.42	\$35.50	\$5.26

* Comparison based on comparison of same or comparable products and quantities on PartnerShip.com versus uline.com

Additionally, the shipping rates for your order will be based on the lowest rates negotiated by PartnerShip, with no markups or additional handling charges. And for orders outside of Ohio, there will be no sales tax collected on your order either.
