

6 Reasons to Use PartnerShip for Every LTL Freight Shipment!

As a member of NSRA, you have access to a number of value-added services, including the **NSRA Shipping Program** managed by PartnerShip. This program includes an *exclusive money-saving benefit* on **less-than-truckload (LTL) freight services**. Here's why you should use PartnerShip for every LTL freight shipment you send and receive:

1. Save **at least 70%** on every LTL freight shipment arranged through PartnerShip.
2. Savings with the country's most reputable carriers, including **UPS Freight, YRC Freight, Con-way Freight**, and many regional carriers.
3. Access to a dedicated account representative for all of your questions and concerns – a **shipping expert** on your side.
4. **Consolidated, weekly invoices** from PartnerShip, saving you administrative time usually spent auditing and paying invoices to multiple carriers directly.
5. Access to our 24/7 online LTL freight management tools at PartnerShip.com, where you can **manage your inbound shipping, compare rates, view transit times, track shipments, and pay invoices**.
6. And best of all, the NSRA Shipping Program **directly supports your association!**
