

OCTOBER 16-18, 2014
THE SENTINEL HOTEL, PORTLAND, OR

SESSION DETAILS

Session #: 113

Title: WORKSHOP: Playing in Plaster - The Basics of Splinting

Speaker: Kari M. Komlofske, ARNP, FNP-C

Date: Thursday, October 16

Time: 3:10-4:25 p.m.

CE Contact Hours: 1.25

Pharmacology Hours: 0.25

SESSION DESCRIPTION

To develop a understanding of fracture classifications with appropriate splinting application. For urgent care, ER, and family practice providers.

LEARNING OBJECTIVES

Upon completion of this session, the learner will be able to:

1. Demonstrate an increased ability in identifying and labeling various types of fractures.
2. Identify the various splinting options, appropriate for the given fracture.
3. Evaluate splint application and the consequences of poor application.
4. Discuss the multiple medications used in orthopedic injuries - pharmacological and non-pharmacological treatment modalities
