The Professional Standards Committee shall:

Work to bring about adherence to ethical, professional, and legal standards of practice.

- The committee has been meeting bimonthly and discussing ethical, professional and legal standards of practice via electronic mail as well.
- The committee is putting together a professional practice standards presentation at the October NPO conference.

Receive and take appropriate action on complaints and problems in nurse practitioner practice from the profession and the public.

- The committee is providing a presentation outlining scope of practice and practice news/legislation for the profession and the public at the October NPO conference.

Maintain liaison with the Oregon State Board of Nursing regarding regulation of nurse practitioners and issues regarding the practice of nurse practitioners, both as individuals and as a group

- The committee met with Ruby Jason at OSBN in November 2018 and plans to meet with OSBN again by November 2019. The committee's current goal is for yearly meetings with OSBN to take place.
