**Professional Development**

Three Annual Conferences:

- **NWRPCA Spring Summit + Annual Membership Meeting:** a 2.5 day conference featuring learning and networking with peers around Region X.
- **Fall Primary Care Conference:** a 4 day bi-regional event with our Region VIII partner, CHAMPS.
- **The Western Forum for Migrant and Community Health:** a 2.5 day event focused on social determinants of health, community health workers, and special and vulnerable populations such as agricultural workers.

**CLICK HERE TO VISIT THE WEBPAGE »**

**Standalone Trainings & Distance-Based Learning:**

Relevant industry-related trainings (both in-person and webinars) as well as the annual UDS Training and Community Health Leadership Institute (CHLI) manager trainings.

**CLICK HERE TO VIEW UPCOMING TRAININGS »**

**Continuing Education credits offered:**

CPE, CME, CDE, CNE, HR, THW, NASW and GOV.

The **Learning Vault** houses free video recordings and resources from past events, as well as **Learning Modules**, which consist of highly-rated topic selections from the archive.

Member-rates are available for most offerings, including an additional discount for a first-time **Spring Summit** attendee.

**Recruitment & Retention Solutions**

**Education Health Center Initiative (EHCI):**
Enhance your provider pipeline by becoming a **Teaching Health Center**. CHCs get pro-bono preliminary consultations to learn how to start a primary care residency.

**A.T. Still University Rotations Program:**
Find out how to improve provider retention and foster an **Employer of Choice** culture by precepting a highly capable DO student.

Get your job openings viewed by thousands by posting on NWRPCA’s online **Career Center**. Job openings are also featured in the **Northwest Pulse**, NWRPCA’s monthly e-newsletter.

**MISSION**
Northwest Regional Primary Care Association is a member organization that strengthens community and migrant health centers in the Northwest by leveraging regional power and resources on their behalf.

**VISION**
With the support of NWRPCA, our community and migrant health centers will be exemplary professional homes for their staffs and will serve their communities well.

**VALUES**
- **Community:** We support the consumer-driven governance of the community and migrant health center.
- **Social Justice:** We advocate for social justice, particularly for the right to wellness and health.
- **Respect:** We demonstrate respect for each other and those we serve.
- **Trust:** We build trust by acting with honesty and integrity.
- **Diversity:** We celebrate diversity as the pathway to insightful work and enriched relationships.
- **Excellence:** We constantly aspire to excellence through innovation and continuous improvement.

**Networking Opportunities**
NWRPCA provides robust opportunities for CHC leadership and staff to stay well-connected to each other, federal entities, and regional partners through:
- Direct in-person dialogue with senior HRSA and NACHC representatives.
- NWRPCA [Peer Networking Center](#)'s online peer learning groups: HR, SUD/OUD, Operations and Financial Performance.
- Monthly e-newsletter, the *Northwest Pulse*.
- Round table discussions at our conferences.

**Leadership, Awards & Recognition**
NWRPCA recognizes leaders in Region X through annual awards: *Legacy, Summit and Helping Us Helping You*.

Members have the opportunity to be leaders in Region X through serving on the NWRPCA Board of Directors.

NWRPCA highlights members on the website, in the *Northwest Pulse* and on social media.

**Business Intelligence**
NWRPCA's [Business Intelligence for Region X (BIX)](#) offers two reports that analyze data to best address the Quadruple Aim:

- **Biennial Salary and Benefits Survey:** this features salary, benefit, turnover and recruitment data for Region X CHCs. Regional data is compared against Region VIII and national data. Members receive discounted rates.
- **Annual Measure of Finance, Operations and Productivity (AMFOP) Report:** a free participant-only survey that analyzes UDS, audit, and financial data to determine the nature of a CHC’s performance based on regional and national benchmarks.
