Lance Hunsinger
Chief Executive Officer
Community Health Plan of Washington
720 Olive Way, Suite 300
Seattle, WA 98119

NORTHWEST
REGIONAL
PRIMARY CARE
ASSOCIATION

Dear Lance:

As we pass the mid-point of our calendar year, I want to take this opportunity to thank you, Victor Collymore and all the leadership of Community Health Plan for your ongoing **Annual Silver Sponsorship**. Your investment of \$15,000 in our annual programming for 2014 had a significant impact on our ability to offer educational services to members and also to dramatically improve the infrastructure through which we communicate with them.

Now that all sponsorship funds have been allocated where needed, I would like to recognize the specific contributions CHP has made on behalf of the health centers of the Northwest and Northwest Regional Primary Care Association specifically:

- Support of our **Spring Primary Care Conference in 2014**, equal to a Champion Sponsorship. We are grateful that CHP also often participates in our conferences as an exhibitor in addition to this annual financial support.
- Support of our anchor course, ***Critical Skills for Mid-level Managers***. Offered in Seattle by veteran trainer Lisa Mouscher, this course strengthened and deepened the managerial skills of thirty health center managers from 13 health centers representing all four Region X states.
- Support that allowed us to subscribe to an **Association Management System** called YourMembership.com, bringing us an integrated system for communicating with our members, partners and associates in ways both traditional and cutting-edge. The most visible portion of that system, our highly interactive new web site, was launched on October 1, 2014, thanks to your support.

I cannot overstate the importance of Community Health Plan's ongoing support and the difference it ultimately makes for our health center members. Thank you once again for an outstanding partnership. I also want to acknowledge your 2015 Annual Silver Sponsorship; I look forward to reporting to you and our members later this year on how we've allocated those funds.

With deep appreciation,

Bruce Gray
Chief Executive Officer
