## ELECTRONIC ORDER INSTRUCTIONS

The Law Division is now accepting electronic orders for most agreed matters. To prepare electronic orders, attorneys and litigants must first register at [eaccess.18thjudicial.org](http://eaccess.18thjudicial.org). The process takes about one minute and is free. The website contains a short video that fully explains the process for creating and submitting electronic orders. Attorneys and litigants are STRONGLY encouraged to use this system. In addition to allowing for the creation of electronic orders, parties can access orders and pleadings on their case.
