

Announcing: **NYHRPS PEER CIRCLES**

**Get involved in the pilot of a *new* NYHRPS program, Peer Circles.
Help to shape this unique program.**

Purpose:

Facilitate small groups of NYHRPS members who learn from each other's expertise, are challenged to think differently, and incorporate new thoughts and ideas into their work.

Eligibility:

Executives with a minimum of 10-15 years of experience.

Application Process:

Interested members should submit a brief application at NYHRPS.org/page/peercircles by October 31.

Peer Circle leaders will determine group membership based on applicant interest and to ensure a balance of tenures, professions, and experience.

Additional Information:

Peer circles meet monthly from January to June.

Groups will be organized around broad topic areas based on applicant interest. Topic areas may include areas such as organizational development, HR strategy, design thinking, and talent management. The focus will be on the future direction, innovation, and best practices in these categories.

Meeting locations will be determined based on applicant location.

Peer Circles are free to NYHRPS members.

How do I participate?

If you are interested in participating or learning more, please contact Michelle Turchin at mturchin@wcs.org
