| JC 3-17 | **MOVED**: That the Bylaws of the New York Physical Therapy Association Article IX. Delegates to the Association House of Delegates. Section 4. Responsibilities of Delegates, be amended by adding a new C. so that it would read:  

**Section 4: Responsibilities of Delegates**  
A. Attend all meetings of the House of Delegates and any additional meetings as directed by the Chief Delegate.  
B. Present to the House such matters as are directed by the Board or the Assembly.  
C. With a majority vote of the Delegates, may act on behalf of the Chapter in between meetings of the Board and Assembly with respect to House of Delegate-related matters.  

**RATIONALE**: The duties of the Chapter Delegation to the HOD need to be updated to better align NYPTA procedures/activities with APTA’s HOD year-round governance schedule. With our current limited responsibilities of the Chapter Delegation, NYPTA does not have a strong voice with respect to providing official Chapter positions/input to developing motion concepts proposed. | **MOTION CARRIED**

by other Components and discussed on the HOD HUB and Virtual Town Halls throughout the year.

Current technology such as webinars would allow the Chapter delegation to the HOD to meet and discuss HOD related issues more frequently and in a more timely manner with the Chief Delegate then being able to post NYPTA’s position and/or questions about proposed motion concepts on behalf of the Chapter.

The Chapter Delegation would also have the authority to develop and submit motions to the HOD without having to wait for approval at a BOD meeting or the DA.

This change would not diminish the Delegate Assembly’s ultimate authority for determining which matters the Chapter should bring before the HOD since the Delegate Assembly could vote to charge the Chief Delegate to withdraw any motion submitted or rescind/change any action or position the Chapter Delegation had taken between meetings of the Board or Assembly.

MOTION CARRIED
JC-4-17

ARTICLE VII. OFFICERS, BOARD OF DIRECTORS & EXECUTIVE COMMITTEE

Section 1: Officers and Directors

A Officers
The Officers shall be the President, Vice-President, Secretary, Treasurer, Speaker of the Assembly, and Chief Delegate to the Association House of Delegates.

1. Elections (See also Article VI, Section 3E).
   a. At the annual meeting of the Assembly, the President, Vice-President, and Speaker of the Assembly shall be elected on the even-numbered year.
   b. At the annual meeting of the Assembly, the Treasurer, the Secretary and the Chief Delegate to the Association House of Delegates shall be elected in the odd-numbered years.

2. Tenure:
   a. The term of office of all Officers shall be two years or until their successors are elected, and shall become effective immediately following the adjournment of the Assembly at which elected, except for the following exceptions:
      i. The Chief Delegate to the Association House of Delegates shall assume the office following the adjournment of the Annual Meeting of the House of Delegates in the year elected.
      ii. Newly elected President shall serve in the capacity of President-elect during the period immediately following the adjournment of the Delegate Assembly until the adjournment of that year's annual meeting of the national House of Delegates.
   b. No Officer may serve in the same office for more than two consecutive terms, but may be re-elected to that office following an interim of at least a complete term.

Officers, 2c. Tenure, be amended by inserting the word "consecutive" after the number "4" so that it would read:
c. No person shall serve as an Officer of the Board for more than 4 consecutive full terms.

RATIONALÉ:

The current wording of this portion of the Bylaws imposes a lifetime limit of 4 full terms in any Office on an individual member. For example, if a member served 2 terms as Speaker of the Delegate Assembly and then 2 terms as Secretary, that member could never serve in another Office regardless of how many years separated the terms of service.

The 2014 Delegate Assembly amended this section of the Bylaws from the original wording of: "c. No person shall serve as an Officer of the Board for more than eight consecutive years." to the current wording of "4 full terms". As per the 2014 DA minutes, the rationale for this change was:

"Changing the Policy manual from 8 year to 4 full terms would allow an individual who was appointed to fulfill a 1-year EC term to run for 4 terms thereafter. Presently if an individual is appointed to fulfill a term, they are only able to run for office for 3 terms due to the fact that after 7 years they are unable to run for their fourth term."

It is the belief of members of the GNY District delegation that there was no intent to create a lifetime limit but only to continue the tradition of having a limit on the number of consecutive years and/or terms that an individual member may serve. The idea of a lifetime limit was not brought up during debate of this amendment during the 2014 DA to the best of our recollection.
This amendment would correct what the GNY delegation believes to have been an unintentional change to the Bylaws made by the 2014 DA. Having a lifetime limit on the number of terms of Office a member may serve is not in the best interest of the Chapter since it decreases the overall number of members eligible to serve the Chapter. In fact, this lifetime limit directly contradicts Goal 4, Objective 3 of the NYPTA's current strategic plan, "Increase the cadre of effective leaders at all levels of NYPTA’s operations."

**Section 2: Chapter Dues**

A. Chapter Dues shall be as follows:

- Physical Therapist: One hundred and eighty dollars ($180);
- Physical Therapist-Post Professional Student: One hundred and ten dollars ($110). Life Physical Therapist: zero dollars ($0).
- Physical Therapist Assistant: One

Retired Physical Therapist: ninety dollars ($90).
Retired Physical Therapist
Assistant: forty-five dollars
($45). Corresponding: Ninety
dollars ($90).
Student Corresponding: Five dollars ($5), **Ten dollars ($10)**.

**RATIONALE:**

Student and corresponding student dues for the Chapter are
one of the lowest in the country. With the inclusion of student
members to the Corresponding Member category, as of this
writing, there are 148 corresponding student members that
receive the Chapter newsletter. The current dues structure
does not adequately address the additional expense that has
been incurred following this new category.

d. The remainder of the candidates shall be designated as Alternate Delegates and shall be called to serve as a delegate according to the greatest number of votes received.

1. When an individual's name appears on the elected delegate list and the individual is later chosen as a district Designated Delegate, the individual's name shall be removed from the elected delegate list.
2. Each district may submit the names of at least two alternate Designated Delegates. The Alternate Designated Delegates will be called to serve in the event the Designated Delegate cannot attend the House of Delegates in the order submitted by the District.
3. In the event a Designated Delegate slot is vacant and there is not an alternate, the position will be filled from the elected list. (JC 19-03)
4. In the event the elected alternate list has been exhausted, delegate positions will be filled by lottery of the remaining District Designated Alternates.
5. In the event that no elected nor District Designated Alternates are available to fill a vacant delegate position, the Executive Committee, in consultation with the Chief Delegate, shall appoint an individual to serve as a Chapter delegate at that year's House of Delegates provided that APTA's deadline for adding new names to the Chapter Delegate roster has not expired.

RATIONALE: In the past 2 years, the Chapter alternate delegate lists have been exhausted and votes had to be
carried at the APTA House of Delegates. An updated process is needed to increase the alternate delegate pool for District Designated delegates and to fill vacancies if all alternate lists have been exhausted to help ensure that New York is fully represented the HOD.
