

New York State Defenders Association

Discovery and Forensic Support Unit

Need Help With Your Digital Evidence?

NYSDA's Discovery & Forensic Support Unit can assist you!

- Troubleshoot file transfers
- Identify compatible players to view surveillance video
- Preserve social media posts
- Understand body-worn camera audit trails
- Sift through mobile phone extraction discovery
- Research discretionary digital discovery motions
- Strategize motions to dismiss

... and more!

Email the Unit at forensics@nysda.org for personalized support
