

# New York State Defenders Association

Discovery and Forensic Support Unit

## Need Help With Your Toxicology Evidence?

**NYSDA's Discovery & Forensic Support Unit can assist you!**

- Identify missing items in your toxicology report
  - Provide resources to help you understand lab testing performed
  - Draft language for items you're entitled to from the lab
  - Locate breath test and other certification documents from the New York State Police Lab
  - Brainstorm litigation tactics
  - Refer you to experts at the top of their field
- ... and more!

**Email the Unit at [forensics@nysda.org](mailto:forensics@nysda.org) for personalized support**
