

NYSIR Risk Management presents a free Virtual Seminar on

Cyber Challenges in Public Schools

The Cyber Insurance Market continues to be volatile. Carriers are exiting the market and those remaining are tightening their underwriting policies and requirements. Increased insurance limits for the various coverage components are available. However, they come with the expectation of certain controls being in place. This seminar will discuss the challenges of the marketplace and actions Districts/BOCES can take to secure broader and deeper coverages.

Who Should Attend: This seminar is intended for School District staff with Cyber Security responsibilities. This would include District and Building Administration; School Business Administrators; School Business Office Staff; District/BOCES Data Protection and Technology Directors and IT Staff.

Topics to be Covered:

The following topics will be covered:

- Common Cyber Challenges
- Coverage Challenges in the K-12 Cyber Market
- Underwriting Policy Changes
- Risk Management Controls and Tools
