

NYSIR Risk Management presents a No Cost Virtual Seminar on

HELIXintel Update Seminar

Your equipment breakdown insurance, provided by NYSIR through Hartford Steam Boiler (HSB), now provides a significant value-added service at **NO COST**. NYSIR Subscribers now have access to a new service, HELIXintel. This advanced platform streamlines building and equipment management, allowing facility directors to oversee equipment and inventory across all locations.

Your equipment from jurisdictional inspections has been pre-loaded into HELIXintel's system. Join our seminar to maximize this partnership and minimize equipment breakdown risks.

Who Should Attend: School Business Administrators, Directors and Maintenance Staff.

With HELIXintel, you can:

- Gain insights into your equipment data to de-risk, save money, and provide a more comfortable environment for students.
- Easily capture and digitize equipment data.
- Increase equipment uptime and lifespans by performing preventive maintenance.
- Receive support with onsite energy audits from Helix partners
- Quickly access available equipment rebates and energy Incentives.
- Leverage the HELIXintel platform and use tasks and checklists to ensure proper safety and equipment maintenance activities are being performed and logged.
