

The NYSIR Risk Management presents a Seminar on:

## **Risk Transfer – Capital Construction Insurance Specifications Change Seminar**

Please join us for a discussion on updates to NYSIR's Capital Construction Insurance Specifications. These changes were communicated to members recently and become effective for projects being bid after 01 December 2023. The changes are being made in response to difficulties with Carriers who are in the Excess and Surplus Market where most Contractors are securing coverage. These policies often have exclusions or restrictions which cause contractor losses to be absorbed by members.

**Who Should Attend:** Senior District Administration; Business Administrators and Directors of Facilities

**Topics To Be Covered:**
