

NYSIR Risk Management presents a No Cost Virtual Seminar on

Emergency Response Planning: Pre-Planning in the Information Age Seminar

Large scale disasters such as fires and tornados can occur with little to no warning. Blizzards, wind events and hurricanes generally have a warning period which allows for last minute preparation before they strike. This seminar will review disaster preparedness and pre-planning to aid in better preparing your District/BOCES for these events.

Who Should Attend: School District Leaders; School Business Administrators; Building Administrators; Facility Directors and Other School Community Partners.

Topics Covered: The following will be covered in this Seminar:

- The critical importance of disaster pre-planning
- The good and not so good of planning
- How can mobile technology provide a solution

Webinar Presenters: Matt Wandrie, General Manager, and Michael Sheehan, Account Manager from Belfour will lead this seminar.
