

The NYSIR Risk Management presents a Seminar on:

Risk Transfer – Capital Construction Insurance Specifications Change Seminar for Architects, CMs and School District Attorneys

Please join us for a discussion on updates to NYSIR's Capital Construction Insurance Specifications. These changes were communicated to members recently. Additionally, a seminar was conducted to review the changes and answer questions ahead of the 01 December 2023 effective date. The changes are being made in response to difficulties with Carriers who are in the Excess and Surplus Market where most Contractors are securing coverage. These policies often have exclusions or restrictions which cause contractor losses to be absorbed by members.

Who Should Attend: Architects; Construction Managers; Senior District Administration; School Business Administrators; Facility Directors and School District Attorneys

Topics To Be Covered:

- ❖ Non-Licensed and Non-Admitted Carrier Challenges
- ❖ Cooperative Bids
- ❖ Negative Impact on NYSIR
