

**The New York Schools Insurance Reciprocal and
Hartford Steam Boiler present an exclusive service
to NYSIR Subscribers**

FUNDAMENTALS OF BOILER MAINTENANCE

Who Should Attend? This seminar is intended for the individuals responsible for the safe operation of the boilers at your school district/BOCES. Please extend this invite to the Facilities Directors and members of the Facilities Department.

Topics To Be Covered:

- Boiler startup and in service operations
- Internal and External inspection requirements and preparation
- Scheduling tips
- Boiler Administration
- HSB Efficiency First
- Air conditioning shutdown tips
- Boiler return to service

Seminar Participants will leave this seminar with a better understanding of the safe operation, maintenance and inspection of low pressure boilers. There is no charge for this seminar.
