

NYSIR Risk Management presents a No Cost Virtual Seminar on

HelixIntel: Simplifying Your School's Maintenance

Your equipment breakdown insurance provided by NYSIR, through Hartford Steam Boiler (HSB), includes **complimentary access** to [HelixIntel](#)'s Computerized Maintenance Management System (CMMS). This system simplifies building and equipment management, allowing facility directors to oversee equipment and inventory across all locations from one platform. The seminar will discuss our partnership and means to minimize equipment breakdown risks.

Who Should Attend: School Business Administrators, Directors of Facilities and Facilities Staff.

During this webinar, you will learn:

- About HelixIntel's new Location Reservations System: A smarter way for schools to manage facility spaces.
- Functionalities of Work Order Management program to organize, track, and oversee work requests and task management.
- How to seamlessly automate, schedule, and track preventive maintenance work.
- Tips to gain insights into your equipment data to improve cost savings, enhance equipment performance and reliability.
- How to easily capture and digitize equipment data.

The seminar runs from 10:30 a.m. to 11:30 a.m. and will be recorded.
