

NYSIR Risk Management presents a No Cost Virtual Seminar on

ImPACT Applications Student Testing and Update Seminar

NYSIR's Head Injury Prevention Program (HIPP) offers neurocognitive testing for student athletes participating in 15 modified to varsity sports. This testing is web-based and has flexibility in how the tests are administered. To assist new users, this seminar will review the process for setting up and administering these tests. For existing users, updates to ImPACT's tests and other information will be shared with participants.

Who Should Attend: District and Building Administrators; Athletic Directors; Coaches; Physical Education Educators; School Nurses and Athletic Trainers.
