

**NYSIR Risk Management presents a No Cost Virtual Seminar on**

## **HelixIntel and CMMS Overview Seminar**

Your equipment breakdown insurance, provided by NYSIR through Hartford Steam Boiler (HSB), provides a significant value-added service at **NO COST**. NYSIR Subscribers have access to a new service, HelixIntel. This advanced platform streamlines building and equipment management via a Computerized Maintenance Management System (CMMS) allowing facility directors to oversee equipment and inventory across all locations.

Your equipment from jurisdictional inspections has been pre-loaded into HelixIntel's system. Join our seminar to maximize this partnership and minimize equipment breakdown risks.

**Who Should Attend:** School Business Administrators, Directors of Facilities and Maintenance Staff.

**After completing this seminar, you can:**

- Utilize HelixIntel's Work Order Management to organize, track and oversee work requests and task management.
- Gain insights into your equipment data to improve cost savings, equipment performance and provide a more comfortable environment for students.
- Easily capture and digitize equipment data.
- Increase equipment uptime and lifespans by performing preventive maintenance.
- Quickly access available equipment rebates and energy incentives.
