Vector Training

# NYSIR Offers FREE Online Staff Training to New York Schools

## Access to Award-Winning Safety & Compliance Training Management System

New York Schools Insurance Reciprocal (NYSIR) is pleased to announce our partnership with Vector Solutions to provide the Vector Training safety and compliance training management system to its members. In addition to the Vector Training courses, NYSIR members have access to a host of NYSIR's former courses, now delivered through the Vector Training system.

Trusted by thousands of K-12 administrators, Vector Training delivers high quality, expert-authored courses on important safety and risk management topics. This online system is provided at no cost to NYSIR Subscribers.

### Automated Features Make Administration Easy

- Set up personalized training plans in minutes for groups of staff, new hires, or individuals.
- Keep everyone on track with email notifications and reminders of assignments.
- Track course completions in real-time.
- Receive compliance reports directly in your inbox.
- Integrate Vector Training with systems you already have in place through LDAP/Active Directory, Single Sign On (SAML Integration), and SCORM LMS.
