Transportation of Athletes

- School buses and coach buses must be arranged through the Transportation Department.
- If athletes are transported by parents, guardians or others, NYSIR does **NOT** provide primary automobile insurance coverage for non-district-owned vehicles. In NYS, liability insurance follows the vehicle.
- If athletes do not travel on bus, then signed permission slips must be obtained.

Transportation of Athletes

Parent/Guarding Transporting Other Students

Parent/Guardian Transportation Consent Form

My child, _____, has permission to ride with _____ returning from the (“activity”) on _____.

I understand that a district approved parent volunteer driver, may be used to transport students to, from, and during the activity. The owner of the vehicle must carry insurance, a valid driver’s license, be at least 21 years of age, have not received more than one moving violation in the past 12 months, and have not received a DUI violation nor any felony convictions involving the use of a motor vehicle.

The District’s insurance does not cover damages arising from, or related to, the operation of any private vehicle. Any damages/harm resulting from a parent/guardian/or other private driver, arising from the operation of a motor vehicle in relation to the above listed activity, is hereby waived.

I confirm that I have read this consent form and agree to its terms knowingly and voluntarily. I also confirm that I am the parent or legal guardian of the student.
