

The New York State Psychological Association (NYSPA) is a private, nonprofit professional organization founded in 1921. Its mission is to advance the science and practice of psychology while supporting excellence in education, training, research, advocacy, and service.

With thousands of members throughout New York, NYSPA is recognized as one of the strongest state psychological associations in the country because of its vigorous and sustained efforts to support psychologists and the populations that we serve.

Connect with Others

Opportunities to connect abound! Our 16 division and 10 regional associations provide year-round programming. If you have a specific area of interest or expertise, we have a place for you.

Our yearly convention gives everyone in our community a chance to meet, learn with and educate each other.

ListServes provide that extra lifeline. When you have a question or need, the answer can be available to you.

Membership Benefits

- **Advocacy:** NYSPA Legislative Committee advocates for psychological practice in NY state
- **Professional Development:** Annual Convention; Listserv; Newsletters; NYSPA Divisions & Special Interest Groups; Online Membership Directory; Early Career Resources; NYSPA Career Center; Discounts on CE Programming
- **Practice Benefits:** Committee on Ethical Practice to help members with ethical questions; Access to legal council at reduced rate & access to firm's webinars/newsletters
- **Wealth Management:** Consultation & discount on services; Educational content on financial topics

How NYSPA is working for you!

- NYSPA had an active role in developing mandatory CEU guidelines for Psychologists in NYS
- Secured permanency of telehealth coverage by private insurers
- Added co-sponsors for prescriptive authority (RxP) for psychologists in NYS
- Participation on governor's Blue Ribbon Commission on child custody evaluation
- Ended the use of the title "psychologist" by non-doctoral providers in exempt settings
- Collaborated with other organizations on social awareness legislation for equitable school discipline
- Exploring and advocating for New York State to become a member of PSYPACT
