

2018 LOBBY DAY & LEGISLATIVE CONFERENCE

MAY 7-8, 2018

→ WHAT IS LOBBY DAY?

Lobby Day & Legislative Conference is a two day program that provides legislative training and toolkits of information for face-to-face meetings with legislators about issues important to psychology and the people we serve.

→ WHY SHOULD I PARTICIPATE?

Local legislators need psychologist's honest and direct communication and expertise regarding mental health issues. Your input to familiarize legislators with psychological concerns makes a difference in presenting legislative agendas that benefit the psychological profession.

→ HOW DO I LOBBY?

Register for FREE for the Lobby Day & Legislative Conference. Your attendance and participation in asking probing questions, expressing strong support, and sharing stories on why these pieces of legislation are important make a significant impact on the legislative process.

Visit NYSPA's website, www.nyspa.org, to register.

→ WHERE & WHEN IS LOBBY DAY & LEGISLATIVE CONFERENCE BEING HELD?

Albany Marriott | 189 Wolf Road | Albany, New York 12205

Monday, May 7
