

As our valued partner, we hold the success of your program and the welfare of attendees, team members and our community in the utmost importance. The Saratoga Hilton has implemented several enhanced safety measures, based on guidance from state and local health authorities.

We continue to assess the current information being provided by our state and local health authorities; at present we are practicing the following procedures and precautions:

- Signage at the entrance and in all public areas reinforcing masks are required for those that are unvaccinated
- An increased focus on disinfecting and sanitation, including the addition of hand sanitizers in key public and meeting rooms areas
- Regular sanitation of high touch areas to include- tables, chairs, door pulls, elevator buttons (in-house audio-visual provider will provide sanitation of any rented equipment)
- Elevator wipes and sanitizer stations on each guest floor
- Monitoring staff daily with regular reminders on safety / health protocols
- Shield guards placed at front desk and utilized in banquets as needed and requested
- Offering E-Check in/ digital check-in with Digital Key to eliminate touch point at the Front Deck upon arrival
- Ventilation system has been upgraded and is routinely monitored with regular filter replacements for all guest rooms as well as meeting space for proper circulation

Precautions your attendees can practice:

- Encourage attendees to complete their **vaccination** prior to event
- Attendees to wear masks if unvaccinated or per CDC recommendations
- Recommend digital check-in and out for guests and Digital Key
- Avoid touching your eyes, nose, and mouth
- Stay home when you are sick/temperature checks
- Strongly consider staying home if you have a compromised immune system
- Clean and disinfect frequently touched objects
- Wash your hands often with soap and water for at least 20 seconds, especially after going to the bathroom; before eating; and after blowing your nose, coughing, or sneezing
