43    **Abaxis**

Abaxis Global Diagnostics is your total laboratory partner, offering the comprehensive and innovative VetScan line of on-site diagnostic instruments and rapid tests. The VetScan name has become synonymous with convenience, ease of use and cost-effectiveness, delivering on our promise of speed, accuracy and reliability.

18    **Abbey Glen Pet Memorial Park/Pawpals**

Pawpals® are unlike traditional clay impression kits because they require no kneading, mixing, baking or drying. Just lift the frame, press the paw into the patented mold material and you've created a lasting memory! Creating that unique Client-Pet-Veterinarian bond and capturing a lasting memory instantly for your clients.

**25    Animal Medical Center**

The Animal Medical Center is the world's largest non-profit animal hospital with 100+ veterinarians providing the highest quality medical care across 17 specialties. AMC's pioneering clinical research advances veterinary knowledge & our education programs train the next generation of veterinary leaders and provide pet owners with quality pet health information. AMC is proud to offer our services 24 hours a day, 7 days a week. We are accepting applications for Licensed Veterinary Technicians and Veterinary Assistants. AMC is committed to providing the highest quality veterinary care for its patients and looking for candidates who share the same passion. [www.amcny.org](http://www.amcny.org).

7    **Animal Specialty Center**

Animal Specialty Center's 16,000 square foot facility is staffed with some of the best and brightest board certified veterinary specialists from across the U.S. We offer an unparalleled level of comprehensive care in many important specialties. Our facility is equipped with cutting-edge technology, including the most advanced radiation available for pets, the TrueBeam by Varian. For many years, we were the only veterinary facility in the world with the CyberKnife® Robotic Radiosurgery System, and we are proud to continue to lead the field. We also feature the Toshiba Aquilion 16 slice CT scanner. Additional state-of-the-art equipment on site includes: MRI, digital radiography, digital fluoroscopy and minimally invasive surgery, including arthroscopic, thoracic and laparoscopic procedures. We offer emergency care 24 hours a day, 7 days a week, 365 days a year. Comprehensive specialty medical, surgical and support services are available by referral from primary care veterinarians. Please contact us for further information.

**13    Atlas Pharmaceuticals**

Atlas Pharmaceuticals is an FDA registered 503B Outsourcing Facility delivering superior quality office stock compounded medications to patients and practices for the first time in veterinary medicine. Atlas manufactures compounds under strict FDA regulated cGMP (Current Good Manufacturing Practices) standards, delivering quality you can trust for office stock compounded medications. Our commitment to patient safety centers on manufacturing products with the highest quality

materials, technology and quality control processes possible. We leverage 17 years of compounding expertise and quality processing to deliver the highest level of patient safety. Atlas Pharmaceuticals is part of the Vets First Choice and Roadrunner Pharmacy family. For more information, please visit [www.atlasdrugs.com](http://www.atlasdrugs.com).
