NZVA Dysplasia Scheme Information

NZVA Elbow Dysplasia Scheme

- Courier/Street c/- NZVA, Level 2, 44 Victoria Street, Wellington 6011.
- Postal c/- NZVA, PO Box 11–212, Wellington 6142.
- Submissions are sent to the elbow panel fortnightly.
- Appeal of NZVA Dysplasia Scheme scores accepted.
- Digital Submissions are accepted (DICOM format only)*.
- Unregistered dogs and mixed breeds will be accepted for scoring.

NB: IDENTIFICATION REQUIREMENTS

Submission of radiographs must include:

To avoid rejection:

- Microchip number MUST appear on both the X-ray and submission form.
- By signing the submission form the Veterinarian verifies that the microchip number has been confirmed.
- Date of radiography.
- Animal registered name and number.
- Client surname.
- Left AND Right position marker.

Other important submission requirements:

- The submission form must be signed and fully completed (print in clear block letters).
- Provide a clear photocopy of the registration paper for the dog (where applicable).
- The dog must be 12 months or older.

Veterinary Information

Further information regarding the radiographic details, anaesthesia, positioning etc. may be found on the NZVA explanatory sheets for elbows or on www.nzva.org.nz/dysplasiascheme.

Appeal of an NZVA Dysplasia Scheme score will be accepted.

Digital submissions

! Must be in DICOM format.

- No sticky labels on the CD.

Elbow accreditation

Dogs that are scored either 0–0 0–B or B–B (in both elbows) and are aged 12 months or over will be given accreditation status (i.e. accredited free of elbow dysplasia by radiographic examination).

NOTE:

Willis scheme hip submissions will no longer be accepted by the NZVA.

PennHIP submissions

See www.nzva.org.nz/dysplasiascheme.

Discount vouchers

Discount loyalty vouchers have been extended from one year to three years.

Progeny testing

The Inherited Disorders Committee is committed to building a comprehensive progeny database.

Privacy Act

All enquiries (particularly requests for an urgent scoring by the panels) regarding the NZVA Elbow Dysplasia Scheme should be put in writing by the Veterinarian and sent to the NZVA office please. This will protect your client's privacy and NZVA office staff.
