

Product Listing Booklet for the 2017-18

Print listings are due:
APRIL 3, 2017

A wide-angle photograph of a nursery field. The field is filled with numerous rows of young plants, likely trees and shrubs, arranged in neat, parallel lines. The plants show a variety of colors, including greens, yellows, oranges, and reds, suggesting they are in the process of changing color for autumn. The background features a line of taller trees under a blue sky with light clouds.

Additional Items - Plant Material

Do you sell a plant that is not listed in the worksheet booklet? We can add it to our plant list. Please give both botanical and common name (where applicable) and note any trademarks or plant patents. It is helpful if you include a brochure or copy from a published reference for new cultivars that might not be listed in the horticultural reference books we use to check spelling and verify plant names. Attach additional pages as required. Use Page 94 for non-plant items.
