March 4-7, 2020

46th Academy Annual Meeting & Scientific Symposium

**Promoting Partnerships
through Corporate
Engagement Opportunities.**

Welcome

We invite you to join us in Chicago, Illinois, from March 4-7, 2020, as practitioners from all over the world gather to learn, innovate, and reboot their patient care techniques over four intense days of class work, professional networking, research exploration, and newest information of the latest research and technology available in O&P.

You, the exhibitor, are an essential part of the fabric of the Academy's Annual Meeting & Scientific Symposium. Together with the attendees and presenters, you create the energy, excitement, and education that makes the Academy Annual Meeting the premier event that it is.

Next year, 2020, marks the 46th anniversary of the Academy Annual Meeting. Exhibitor and Partner support have been critical during these 46 years. Take this opportunity to connect with Academy attendees.

My best,

Chellie H. Blondes
