

QUESTION

1. What trends are you seeing in global leadership?

QUESTION

2. What comes instantly to mind when you hear the word “foreign”?

QUESTION

3. How do you begin problem solving with only partial information?

QUESTION

4. What do you do in your spare time?

QUESTION

5. Think of a time when you drew a conclusion and found out later you’d made a faulty assumption. How’d it feel? What did you learn? If you’d known then what you know now, how would you have handled it?

QUESTION

6. How do you regain your composure when you’ve been thrown off balance by something or someone?

QUESTION

7. Looking back a few years, recall a time when you had an overwhelming challenge to solve. What was most challenging for you? What did you learn? How did it change you? How difficult would that same challenge be for you today?

QUESTION

8. Steps I can take to create my own Attribute Flight Plan.
