Accessing Community Chats

First, go to the website [OD Network website](#) and login using your login credentials.

Next, access the [Community Chats](#) landing page.

Enter the chats by clicking on the link at the bottom of the page.

Community Chats

What's on your mind? Let's talk!

Connect

Making meaningful connections start with having meaningful dialogues. Join us in our *Community Chats* where you can hear and talk about what's going on.

Community Chats is an extension of the *Chair Chats* and *Welcome Groups* that we have initiated. We want to stay connected ... a warm welcome to each of you!!!

Chatiquette: Please be mindful of each other's cultural and professional frames of reference. Use appropriate language and references to convey your ideas, thoughts, and experiences. Be open to conceptual challenges, acknowledge points of disagreements, and always seek clarifications to ensure mutual understanding.

This conversation is for members only, and no sales information is allowed at any time.

Subscribe to a Topic

First, at the top of a topic, click on “Threaded Actions”

Select “Subscribe to Instant Updates” from the menu.

The screenshot shows a forum post titled "Biggest Challenges" with the breadcrumb "Forum Index » Academic Professionals » Biggest Challenges". The post is by user "M. 1" and has 14 posts. A "Thread Actions" dropdown menu is open, showing options: Share, Subscribe to Instant Updates (highlighted with a red arrow), My Subscriptions & Settings, Export (Unicode), Tell a Friend, RSS, and Top Posters. A red arrow also points to the "Thread Actions" button.

Manage, your subscriptions from the menu.

This screenshot shows the same forum post, but the "Thread Actions" menu is now open to show "Unsubscribe from Instant Updates" (with a red 'X' icon) and "My Subscriptions & Settings" (highlighted with a red arrow). Other options like "Share", "Export (Unicode)", "Tell a Friend", "RSS", and "Top Posters" are also visible. A red arrow points to the "Thread Actions" button.
