Intro:

Please join the Primary Care Workforce team at the Ohio Association of Community Health Centers for our inaugural OPCWI Annual Meeting. This meeting will bring together clinical and administrative staff from Ohio's Federally Qualified Health Centers, faculty and staff from Ohio's primary care health professions disciplines, as well other key stakeholders to engage in discussions around the OPCWI, interprofessional education, innovative methods in student teaching, and hot-topics in workforce development.

This is a FREE event but registration is required in order to attend.
