The Muskingum River Woodland Interest Group (MRWIG) in partnership with the Coshocton Soil and Water Conservation District and the Ohio Department of Natural Resources, will be hosting a forestry field day at the Wolf Run Farm just west of Coshocton in September. This day-long event will cover topics such as timber harvesting, pollinator habitat, constructed wetlands, property tax reduction programs, and best management practices for logging roads. All presenters are experts in their field and include foresters and biologists. The day will conclude with a ticket raffle for registered participants. Food and refreshments will be available for purchase at the event, catered by Real McCoy BBQ.

Pre-registration is required; please contact the Coshocton Soil & Water Conservation at: (740) 622-8087, ext. 4 for more details.

Saturday, September 29th, 10 AM to 4 PM

Cost: Free for existing MRWIG members, $10 for non-members
