

# The Time to Act is NOW

## The Program is Expiring

- **Don't you want to know?**

You could claim thousands, possibly millions! Don't be misled by accountants or other companies that DO NOT fully understand the program.

- **Proven Success**

We have qualified numerous businesses that didn't think they qualified and now have money in the bank. Jorns & Assoc. is the # 1 boutique firm with thousands of clients and billions in refunds.

- **We are the ERC Experts**

This is what we do, it is the only thing we do so we know the program better than anyone else. There is more than one way to qualify and we look at every single option.

## It's Your Money

- **Don't you want some of it back?**

This is not a loan. It is a refund of employment taxes that you have already paid in. This is your chance to claim those funds.

- **Grow your business**

Think about all the ways you could use this money to grow your business. Upgrade equipment, create more jobs, and more.

It's worth a conversation to find out for sure before time runs out. Give us a call and see how we can help!

Delta ERC is a preferred provider of Jorns & Assoc. specialty ERTC services.

## Clients Are Raving!

### J.P. - CPA

"I am an accountant. I just don't have the time in my day to include ERC credits in my offering. I am grateful that I have someone like you guys that can do all of the heavy lifting. I will be referring numerous clients to you."

### Lumber Company Owner

"We were advised by the accountant that we would not qualify and so glad we did not take his advice. We engaged the specialist company Jorns & Associates and they easily qualified us for 7 figures +. Do not make the mistake of missing out on these funds."

### Lumber Company Executive

"We operate a lumber mill in the southeast with 75+ employees. Grant's company, Delta ERC, worked with Jorns & Associates to acquire the MAXIMUM funds per employee that we were entitled to."
