As we enter 1993 I wish all of you a very happy new year. It is also a good time to remind you of my first message to the OLA membership in which I explained that legislative activities would be a high priority for this year. Toward that end the Legislative Committee has been working hard on OLA's goals for 1993/94. We have engaged Dick Wheatley again to be our legislative liaison and he will help OLA to strive for the following goals:

1. School Library Media Programs

In order to support the schools' curriculum and to help school librarians do a better job, we are seeking $5 per pupil to buy library materials. This goal will require $3 million. In addition, an appropriation of $2.113 million is needed to help those schools that have made a commitment to initiate library media programs. The total library media funding request is $6,113,000.

2. Academic Libraries

OLA wants to see Oklahoma's academic libraries reach the nationally recommended standard of a budget representing at least six percent of the institution's education and general purpose funds. This goal will not require additional money for higher education; only a re-allocation of funds within existing college and university budgets.

3. Public Libraries

On a per capita basis, state aid to public libraries in Oklahoma is only 56 cents, compared to the national average of $1.21. OLA's goal, over a two-year period, is to increase per capita support to $1 by adding 25 cents in the first year and 19 cents in the next. Further, ODL is now using $580,000 of federal funds for operating expenditures. OLA supports its request for an increase to ODL's budget of $580,000 in order to free up those federal funds to be used for the nearly 600,000 Oklahomans who live in areas which do not provide public library services.

4. Library Technology

OLA supports continued progress in implementing the Oklahoma Library Technology Network Plan (OLTNP). ODL is requesting more than $7 million to continue development of OLTNP.

By all accounts the next legislative session will not be a happy one for the legislators, state agencies, or the citizens of Oklahoma. Because of serious budget problems the Governor will be trying to cut back state spending, so the prospects of any increase are slim indeed. But we need to pursue our goals because they are worthy ones. As Dick Wheatley reminds us: "We just have to be patient and persistent and believe in what we are doing." It is more important than ever that all of OLA's members get out and work for our legislative goals. Get to know your legislators and talk to them. Do everything you can to spread the message of library funding needs in Oklahoma. Please make your plans to join your friends and colleagues at the State Capitol on February 8 for OLA Legislative Day when we will work the halls in support of our goals. Numbers make a difference so I hope to see you there!

---Ed Johnson

Editors' Note:
We have deliberately kept this issue to eight pages in order to devote a full sixteen pages to our May/June (Conference) issue. If you are in charge of planning a conference event, plan now to provide us, by May 1, with a write-up of your success!

Library and School Officials Meet With State Legislators

Members of the Pioneer Library System, Norman Public Schools, and Moore Public Schools met with state legislators at their annual "Partners in Progress" Breakfast on Friday, December 18.

This event is held each year in recognition of the continued legislative support of Oklahoma's public and school libraries.

Mary Sherman, Director of the Pioneer Library System, said, "The Pioneer Library System is eight percent funded by state aid. Even though the amount of aid is small, the services it provides are mighty."

The library uses state aid for the purchase of books and other library materials, computer equipment, and a Mail-A-Book service to over 2,000 rural families in Cleveland, McClain, and Pottawatomie Counties.

In the 1992/93 fiscal year, the library system will receive $161,966 in state aid.

State legislators present at the breakfast included Senators Brad Henry (Dist. 17), Helen Cole (Dist. 49), and Larry Lawler (Dist. 24), plus Representatives Joan Greenwood (Dist. 54), Dale Smith (Dist. 27), Bob Weaver (Dist. 26), Gary York (Dist. 46), Ed Crocker (Dist. 45), Laura Boyd, (Dist. 44), Danny Hillard (Dist. 22), and Danny Williams (Dist. 26).

Cleveland County Commissioners George Skinner, Jan Collins, and Leroy Krohmer, Shawnee Mayor Pierre Taron and Blanchard Mayor Graham also attended the breakfast.

Sherman told the legislators "All types of libraries work in partnership with each other to provide excellent library services to the citizens of Oklahoma. We ask for your support of the legislation that is vital to each of us."

"Mystery" Quilt To Be Raffled at Conference

This year's annual conference offers a new, exciting fund raising event and will give some lucky person the chance to win a beautiful quilt hand-stitched by Julie Alderson (Library for the Blind), Donna Denniston (Oklahoma City Community College), Beverly Jones (Southwestern State University), Joan Shelton (Library for the Blind), and Donna Skvarla (Oklahoma Department of Libraries). With help from Patty Russell of the Quilting Parlor in Enid, the women created the quilt that holds the clues for solving Katherine Hall Page's The Body in the Kelp. Using the author's description of the various colors and patterns contained in the quilt, these dedicated quilters have crafted a unique and beautiful work of art. More information on how and where to purchase raffle tickets will be available shortly.

DISCOVER THE FUTURE:
EXPLORE OKLAHOMA'S LIBRARIES
What Would You Do?

The following is part of a continuing series of case studies written by the OLA Ethics Committee related to the OLA Endorsement and Amplification of the American Library Association Statement on Professional Ethics.

Librarians must distinguish clearly in their actions and statements between their personal philosophies and attitudes and those of an institution or professional body.

A student at a university library in the state requests a librarian to do a computer search of a local newspaper in order to obtain information regarding a controversial issue affecting the state. Some other state newspapers are available in the online database, and the librarian, who dislikes the requested newspaper, suggests to the student that he should obtain information about the issue from the other newspapers also, in order to get a more balanced perspective.

Although the librarian thinks that the database is quite valuable generally, her opinion of it is somewhat “tainted” because of the inclusion of one newspaper. Some students think of the “local” newspaper, and the name of the database synonymously, and the librarian justifies her answer to the student by assuming that the student is not aware that other newspapers are available in the database.

The librarian should...

Responses should be submitted no later than March 31, 1993 to OLA Ethics Committee Chair Bonnie Stout, Stillwater High School, 1224 N. Husband, Stillwater, OK 74075. A “solution”, using selected responses from OLA members and, if possible, a statement from a state or national library leader in others, will be printed in the May/June issue of the Oklahoma Librarian.

Executive Board Highlights

October 15, 1992

Kay Boies reported that OLA did quite well at EncycloMedia at which some 2,700 persons attended. There were 159 exhibit booths. Next year's EncycloMedia is tentatively set for September 9-10. Updated equipment for the Executive Director's office has been purchased. The OLA Fax number is the same number as the OLA phone number. Concern was expressed about the Sequoyah Children's bookmarks being printed by schools with books omitted from the list. President Ed Johnson was directed by the Board to draft a letter to be sent concerning this issue.

An open forum is being planned to discuss the implementation of the long-range plan for OLA. Main areas are: OLA dues structure, job description of the Executive Director, and Legislative Activities.

Richard Parker, Chairman of the Program Committee, reported that Kaycee Hale will be the keynote speaker for the OLA Conference and will also be presenting another session. Will Manley is scheduled to be the banquet speaker and he will also hold an IFC program during the conference. Registration fees for the OLA Conference are to be increased by $10.00 and the exhibitor fee has been raised $10.00 over last year. The social will be another Casino night and the fund raising form the evening will benefit OLA legislative activities.

Dick Wheatley is the hired lobbyist for OLA. The Legislative Committee and Wheatley will be discussing what issues OLA wants to support, keeping open communications between Wheatley and OLA, and ongoing strategies.

Jan Sanders, MPLA Representative, attended the MPLA Conference in Cheyenne; four others from Oklahoma also attended. Next joint conference is at Snow Mass, CO, Oct. 1-4, 1993.

Beverly Dieterlen reported that two new FOLIO groups have started as a result of the FOLIO booth at EncycloMedia.

November 20, 1992

Kay Boies reported on several meetings she had attended including: the Task Force on Access to Information, Legislative Committee and Sub-Committee on legislative goals; Long Range Planning Committee, Public Librarian Certification Task Force. A plan should be presented to the OLA Executive Board at the March meeting concerning the certification of public librarians; Sequoyah Young Adult Committee, Oklahoma Society of Association Executives; Subject Analysis Workshop; OLA Membership Committee. Several logos were submitted for a possible OLA logo. The OLA Conference theme is: Discover the Future: Explore Oklahoma's Libraries. The Board approved the Sequoyah Children's Book Award Committee's request to purchase 100 posters of Sequoyah for the purpose of fund raising.

Overall membership in OLA is up, but Public Libraries Division membership is down about 50.

Tentative date for the 1993 Leadership Conference is May 27-28. This workshop is an important one for outgoing and incoming OLA officers.

Bettie Estes-Fickner reported that fact sheets are being designed for School, Academic, and Public Libraries. These fact sheets are to be given to legislators. Dick Wheatley, OLA lobbyist will be speaking at the Legislative breakfast at OLA Conference. A list of donors to the OLA Legislative Fund is being published in the Oklahoma Librarian.
